

Channel Islands Veterinary Hospital
Boarding Requirements

Vaccinations

Upon drop off, all vaccines must be current to admit any animal into our boarding facility. If you are unable to furnish proof of vaccination, and wish to board your pet with us, we will vaccinate your pet. Vaccination fees are not included in the boarding charges. The owner is responsible for all vaccination costs.

Required vaccinations:

- **Canine:** DHPP, Corona, Bordetella and Rabies.
- **Feline:** FVRCP, FeLV (leukemia) and Rabies.

I understand vaccinations must be current. **Initial:** _____

Medications

All medications must be in original container with appropriate drug information. This ensures precise and safe care for your pet.

Initial: _____

Daily Rates

Check out time is 12:00 noon.

Boarding begins the day you drop off your pet. At 12:00 noon the following day, another boarding charge is added.

I understand if I pick up my pet after 12:00 noon there will be a charge for that day.

Initial: _____

Emergency

This is a hospital facility. Should any medical condition arise while your pet boards with us, your pet will receive medical attention. The doctor's are **obligated** to treat any situation causing the pet discomfort.

- If an **emergency phone number** is given, every effort will be made to contact the owner prior to treatment.
- If an **emergency contact** is given, understand that ***you are authorizing this person to make medical decisions*** for you in your absence. You will be responsible for all charges.

If we are unable to contact you or an authorized agent, treatment will be given at the doctor's discretion. You are responsible for all charges.

Signature: _____

Date: _____

*Original to be kept in pet's file. A copy will be furnished upon request.

**Policy stays in effect until further notice.
